Reassessment Progress as of 9/14/2022

Pearson's Appraisal Service Inc. has completed the onsite review of 11,741 properties. To date, data from 10,000 properties has been entered into the new Vision software. Pearson's has completed a sales study using real estate sales that closed in 2022. Most homeowners should see an increase in assessed value of about 50% overall. Pearson's is in the process of running edit reports and reviewing final assessed values. Currently, the reassessment is on schedule and property owners should be receiving reassessment notices in late October 2022.

The reassessment office is in the County Administration building located at 180 Horse Landing Road and is open to the public during regular business hours. Reassessment staff may be reached at (804) 769-3027 or assessor@kingwilliamcounty.us. Pearson's welcomes any information that the county's residents would like to contribute.
