King William County BPOL Tax is due March 1, 2019

All businesses, trades, occupations and professional enterprises situated within or conducting business within the unincorporated portion of the county would have to comply with the BPOL Tax Ordinance unless exempted by state or federal law. Businesses located within the Town of West Point will be exempt from the county’s BPOL tax because the town has adopted a BPOL tax, thereby preempting the county from imposing this tax within the town’s corporate limits. If you own a business in King William County you should have received a mailing with the business license application and business personal property form in the mail. Please contact Barbara Ford if you have not received a mailing or if you have any questions about the King William County business license tax.

Call the Commissioner’s Office at 804-769-4941 if you have any questions.
Help Keep King William Clean - It is up to the Citizens of the County to help keep the Secondary Roads clean, as VDOT only maintains the Main Highways (360 & 30). What is it?

The King William Sheriff’s Citizens Academy consist of ten sessions held once a week. The instruction has been designed to incorporate an interactive format and provide the participants with a hands on experience whenever practical. The Academy is a great opportunity to learn more about what it takes to become a Deputy Sheriff. You’ll better understand and appreciate what a Deputy might encounter during a traffic stop, DUI arrest or criminal investigation. Classes are held 6:30pm to 9:00pm every Thursday and two Saturdays during the Academy.

There is no cost for this program!

Who may attend?

The minimum age for enrollment is 21 and you must live or own a business in King William County.

Applicant must have no history of criminal behavior and pass a background check.

Class size is limited

Topics covered:

The Academy covers such diverse topics as the history of the Sheriff’s Office, 911 emergency communications, Court security, introduction to criminal law, patrol operations, traffic stops, DUI enforcement, criminal investigations, crime scene processing and forensics.

Training officers will be instructing on the usage of firearms and other weapons employed by Deputies. You will learn how officers are trained on the use of force and sometimes have to make split second decisions.

Participants will be given tours of both the historical courthouse as well as the current courthouse and sheriff’s office/ 911 dispatch center. Ride alongs are offered as well so you can ride with a Deputy on a real shift.

The Academy will conclude with a mock crime scene that will allow participants to use their new knowledge.
